As each customer's use of our product may be different, information we provide, including without limitation, recommendations, test results, samples, care/labeling/processing instructions or marketing advice, is provided in good faith but without warranty and without accepting any responsibility/liability. Each customer must test and be responsible for its own specific use, further processing, labeling, marketing, etc. All sales are exclusively subject to our standard terms of sale posted at www.milliken.com/terms (all additional/different terms are rejected) unless explicitly agreed otherwise in a signed writing. Perimeter fabric made in the USA. Garments made in the USA available by request. When washed according to the laundering guide, Perimeter fabrics provide fluid resistance through at least twenty-five industrial or home launderings. Gowns should be laundered after every use.
