

Percent Solid Waste Landfilled

Global Operations

Total Solid Waste Generated per Unit of Production

Global Operations

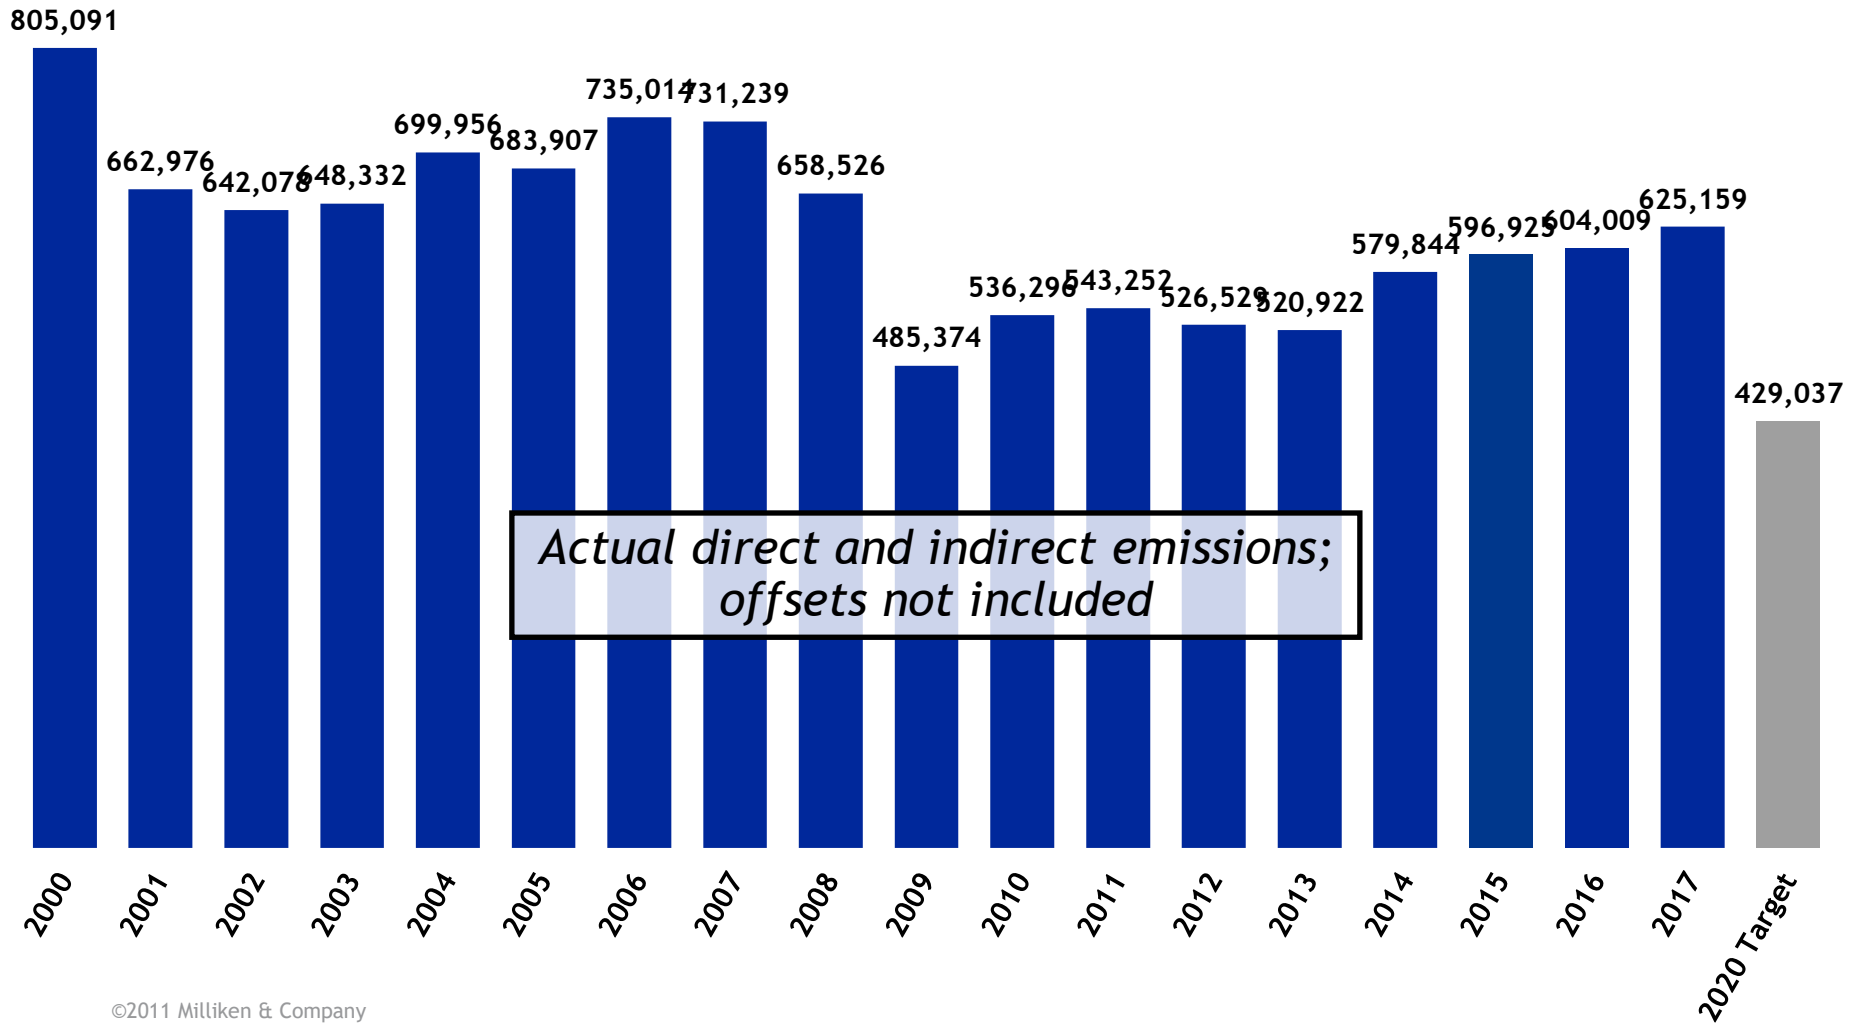

Environmental Objectives and Targets

GHG Emissions

GHG Emissions from Operations (metric tons CO₂ equivalents)

Global Operations

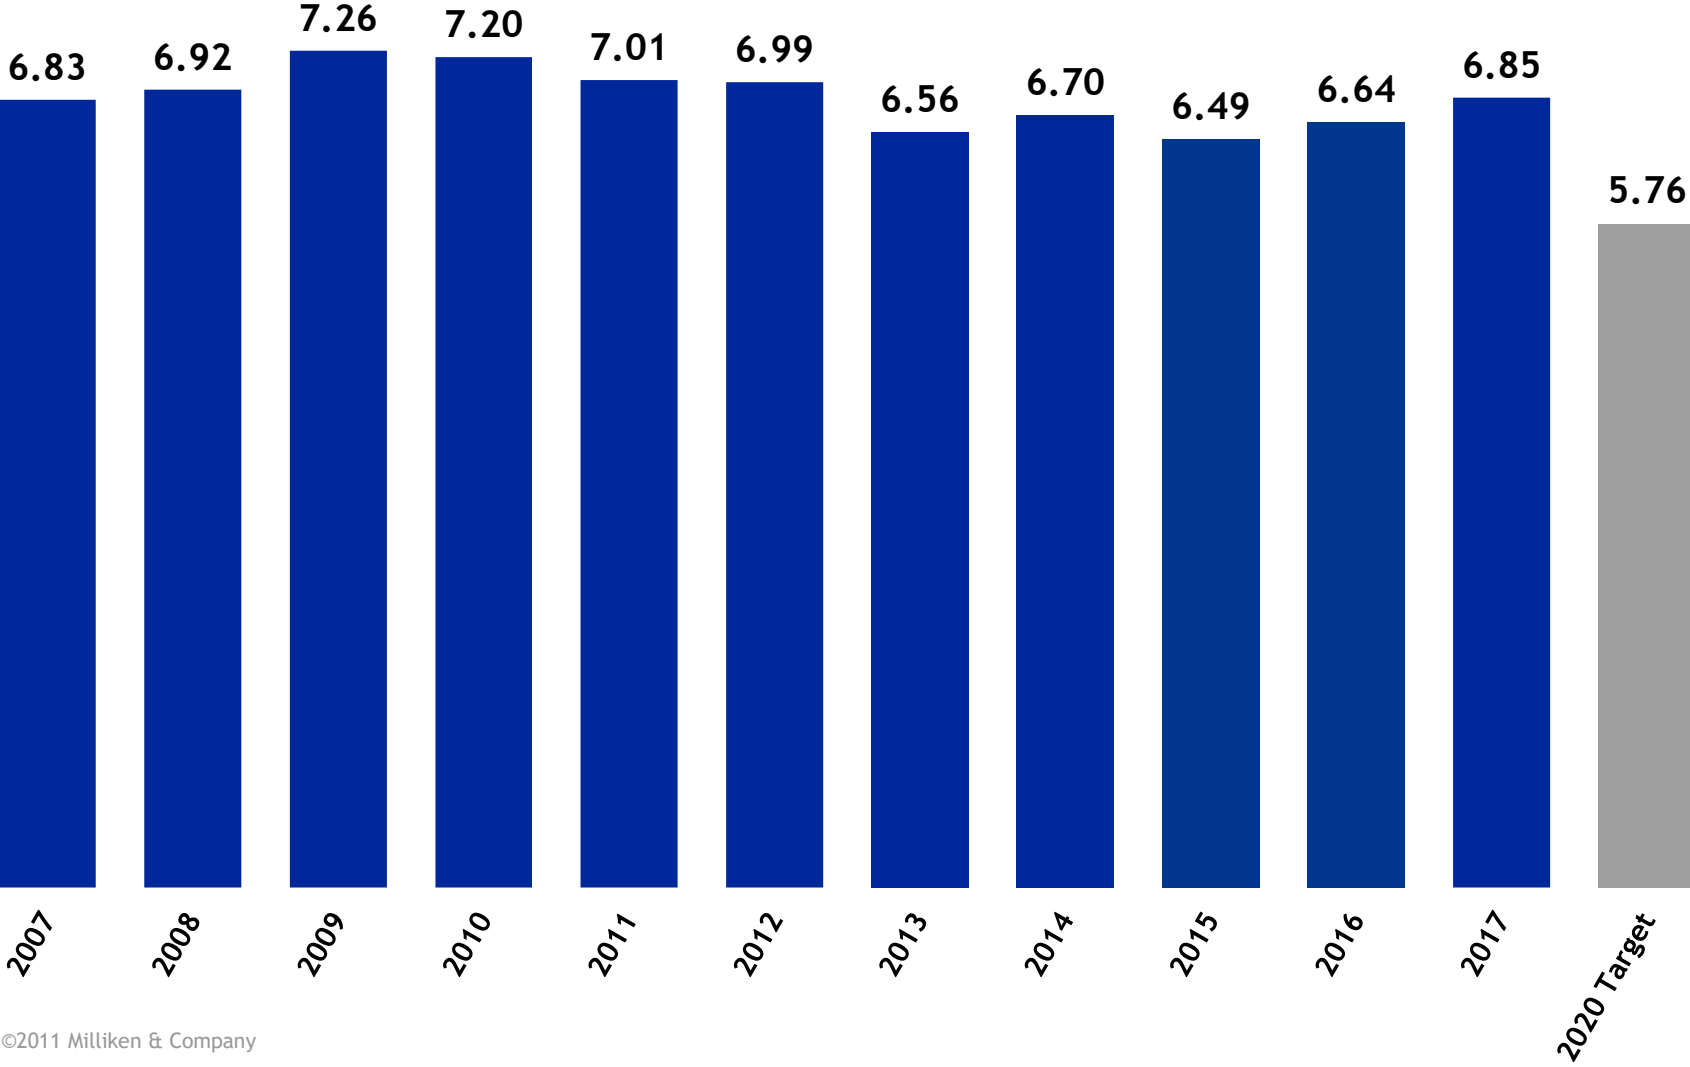

Environmental Objectives and Targets

Energy Consumption

Total Energy Consumption per Unit of Production

Global Operations

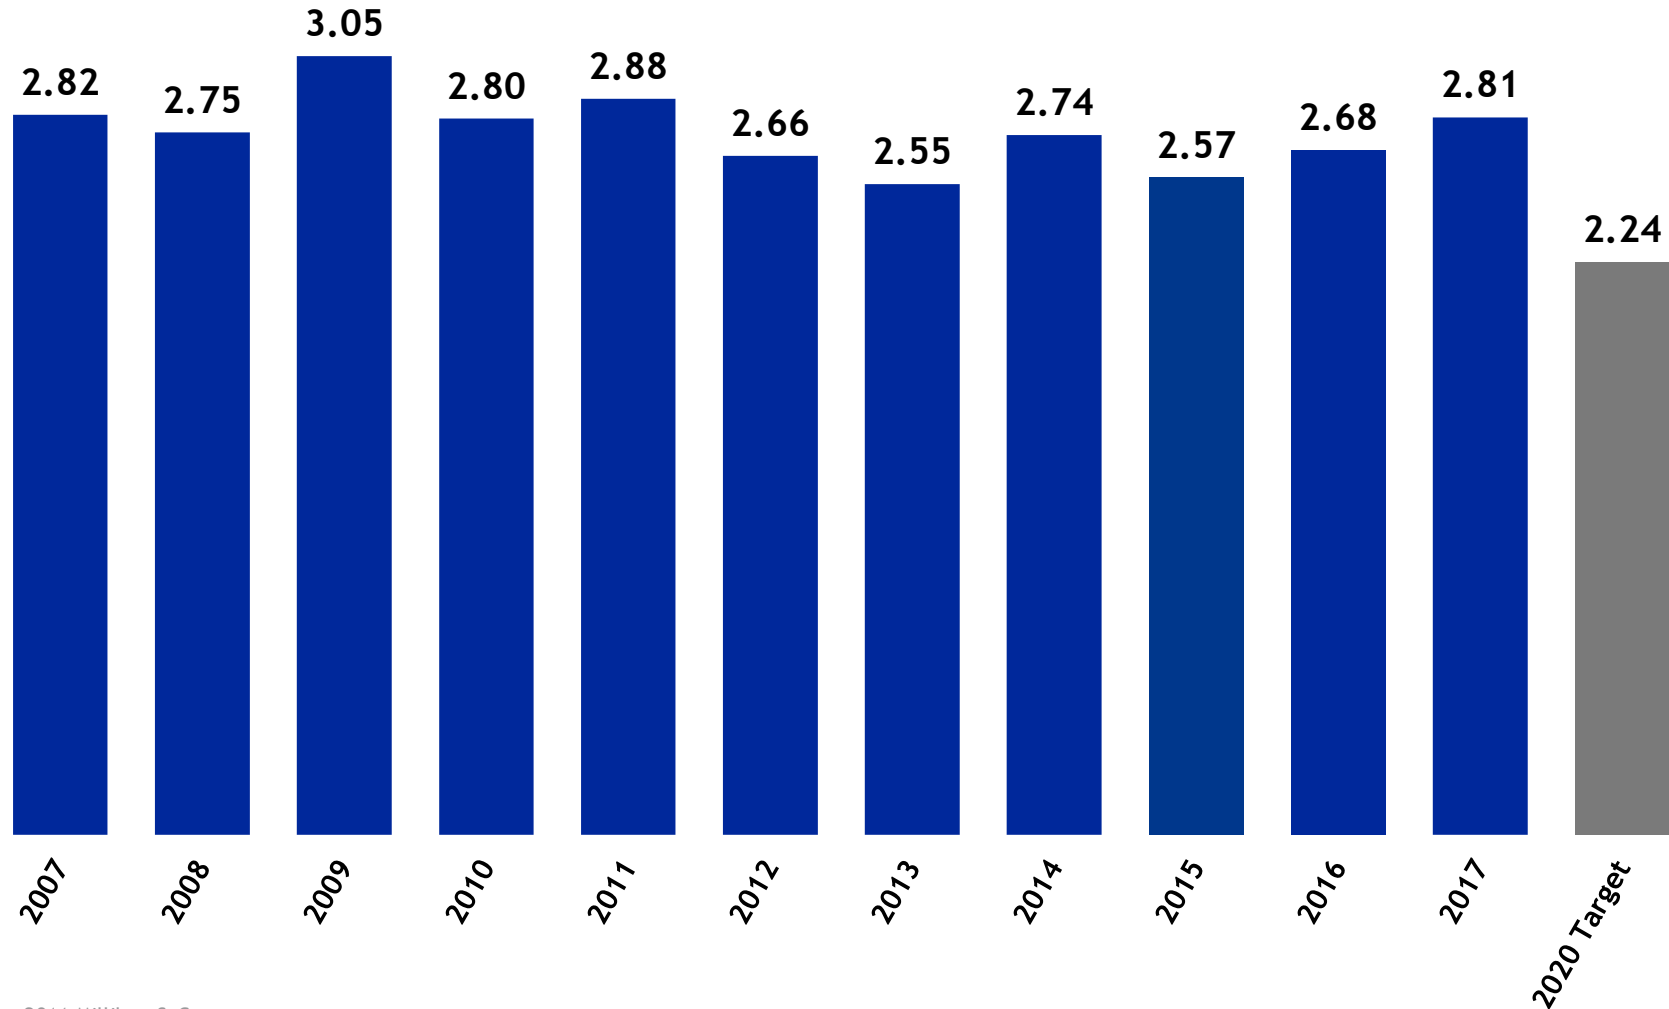

Environmental Objectives and Targets

Water Consumption

Total Water Consumption per Unit of Production

Global Operations

Environmental Objectives and Targets

Water Consumption

Total Water Consumption - Billions of Gallons

Global Operations
